StudyLink Product Accessibility Conformance Report

Third Party audit will be completed in the coming months

Terms

The terms used in the Conformance Level information are defined as follows:

- Supports: The functionality of the product has at least one method that meets the criterion without known defects or meets with equivalent facilitation.
- Partially Supports: Some functionality of the product does not meet the criterion.
- Does Not Support: The majority of product functionality does not meet the criterion.
- Not Applicable: The criterion is not relevant to the product.

WCAG 2.1 Report

Section 508 - Functional Performance Criteria (FPC)

| Criteria | Conformance Level | Remarks and Explanations |
|--|-------------------|--|
| Without Vision | Supports | Canvas has been optimized to work well with screen readers such as JAWS, NVDA and VoiceOver. |
| With Limited Vision | Supports | StudyLink supports screen magnification and browser-provided zoom functionality. |
| Without Perception of Color | Supports | StudyLink does not require color perception for operation. |
| Without Hearing | Supports | StudyLink does not use any audio for its default operation. Users can upload their own content and are responsible for ensuring the accessibility of the uploaded content. |
| With Limited Hearing | Supports | StudyLink does not use any audio for its default operation. Users can upload their own content and are responsible for ensuring the accessibility of the uploaded content. |
| Without Speech | Not Applicable | StudyLink does not require speech for operation. |
| With Limited Manipulation | Supports | StudyLink does not require fine motor control or simultaneous actions. It is accessible via keyboard and touch devices. |
| With Limited Reach and Strength | Supports | StudyLink does not require fine motor control or simultaneous actions. It is accessible via keyboard and touch devices. |
| With Limited Language, Cognitive, and Learning Abilities | Supports | StudyLink supports adaptation of content by end users and provides an easy-to-use interface for users with cognitive or learning disabilities. |

Chapter 4 Hardware

Note: These criteria are all Not Applicable because Canvas is not a Hardware Product.

Chapter 5 Software
